

“Establishment of Industrial Training Institutes in North-Eastern States and Sikkim and Modernization of ITI’s in the State of Jammu & Kashmir”

23.1 DGE&T is currently implementing Centrally Sponsored Scheme (CSS) “Establishment of new Industrial Training Institutes (ITIs) in the North- Eastern states and Sikkim. The main objective of the scheme is to meet both qualitative and quantitative skilled and semi-skilled manpower requirement for industry, service sector, self-employment etc. by way of creating and developing infrastructure for training of youth in identified skill areas. The scheme envisages establishment of 22 New ITIs and strengthening/ modernization of 35 existing ITIs in North-Eastern Region. Another three new ITIs – two in Sikkim and one in Assam has also been added under the scheme on recommendation of Prime Minister’s Office. Thus the total number of new ITIs being established is 25 in the NE States. On completion of implementation, the seating capacity in ITIs would increase from the existing 7244 to 16144. The scheme also provides Technical Assistance for training of faculty / sponsored candidates from NE Region.

23.2 The total outlay of the CSS for North Eastern States is Rs.113.70 crore. The original outlay for the scheme was 100.00 crore. An additional amount of Rs. 13.7 crore was approved by the Cabinet for setting up of 3 additional ITIs – Namchi and Ghyzing in Sikkim and Kajolgaon in the State of Assam. The scheme was merged in 2005-06 with another CSS on Strengthening/ modernization of the ITIs in the State of Jammu & Kashmir with an outlay of Rs.37 crore and the CSS was renamed as “Establishment of new

Industrial Training Institutes (ITIs) in the North-Eastern States, Sikkim and Strengthening / Modernization of ITIs in the State of Jammu & Kashmir” with a combined outlay of Rs.150.70 crore. As some of the activities are still under completion stage, / per the following schedule:

- Ongoing component on North East project [outlay of Rs.100 crore] – for One year till FY 2007-08. The scheme has since come to close on 31.3.2008.
- Establishment of 3 new ITIs [outlay 13.70 crore]- For Two years till FY 2008-09 i.e. till 31.03.2009. As the component on establishment of 3 new ITIs – two in Sikkim and one in the State of Assam are yet to be completed, the State Governments of Assam & Sikkim have requested extension of the project duration by another year till 31.3.2010 so that these ITIs could be fully set up. Planning Commission have already approved the continuation of the above project till 31.3.2010. Approval of Department of Expenditure, Ministry of Finance is being sought before seeking approval of the Cabinet Committee for extension of the project duration till 31.3.2010
- Jammu & Kashmir component [outlay 37.00 crore] – For Two years till FY 2008-09 i.e. till 31.03.2009. The State Government of Jammu & Kashmir has also requested extension of the project duration by another year till 31.3.2010 so that the residual activities of civil construction and equipment procurement etc., could be completed. Planning Commission has already approved the

continuation of the above project till 31.3.2010. Approval of Department of Expenditure, Ministry Finance is being sought before seeking approval of the Cabinet Committee for extension of the project duration till 31.3.2010.

23.3 As regards progress under the project, an amount of Rs.106 .56 crore has been released upto March 2009 out of the total EFC allocation of 113.70 crore under Civil Works, Equipment procurement, Recurring expenses and Technical Assistance components. In terms of physical progress, courses have already commenced in 22 new ITIs and 35 existing ITIs covered under the CSS.

23.4 Craftsmen Training Scheme (CTS) was introduced in J&K State in the year 1958 with the establishment of two ITIs in the two main cities of Srinagar and Jammu. At present, there are 37 ITIs in the State. The difficult situation faced by the State during the preceding years has caused considerable damage to the system. Thus, development of CTS in the State has not kept pace with rest of the country. There are a total of 37 Govt. ITIs in the State, with the following region-wise distribution:

Kashmir Division	17
Jammu Division	18
Ladakh Region	02

23.5 A total of 263 trade units are functioning in these ITIs, imparting training at 21 NCVT designated trades; 18 Engineering Trades and the rest Non - Engineering. The total outlay for the scheme is Rs.37.00 crore during the Xth Plan Period.

23.6 The J&K component of this scheme has a total outlay of Rs.37.00 Crore. On completion of this scheme the total seating capacity in all the ITIs in J&K will increase from **4364 to 6200**.

23.7 As regards progress under the J&K project, an amount of Rs.24.24 crore has been

released upto March 2009 out of the total EFC allocation of 37.0 crore for procurement of machinery/ equipment, civil construction and recurring expenditure for the ITIs.

Centrally Sponsored Scheme for Upgradation of ITIs into Centres of Excellence

23.8 Union Finance Minister in his Budget Speech 2004-05 and reiterated in 2006-07, had announced measures for upgradation of 500 ITIs in the country. Subsequently, as per the advice of M/o Finance, upgradation of 100 ITIs from domestic resources and 400 ITIs through World Bank assistance has been taken up. The domestically funded 100 ITIs have been distributed in 22 States/ Union Territories in proportion to the number of Government ITIs in these States. The total cost of the scheme is Rs.160 crore, Central share being Rs.120 crore, in view of cost sharing in ratio of 75:25 as advised by the Ministry of Finance.

23.9 The objective of the scheme is to upgrade the existing 100 ITIs into "Centers of Excellence (CoE)" for producing multi skilled workforce of world standard. The highlights of the scheme are introduction of multiskilling courses during the first year, followed by advanced/ specialized modular courses in the second year by adopting industry wise cluster approach, multi entry and multi exit provisions, and Public-Private-Partnership in the form of Institute Managing Committee (IMC) to ensure greater & active involvement of industry in all aspects of training. Out of the central share of Rs 120 cr. available under the scheme, an amount of Rs 104 cr. has been released till March 2009. Curricula on 21 Industrial Sectors have been identified and curricula of more than 200 module have been developed and are being implemented. Keeping in view that the scheme was approved in March 2005 and therefore 2004-05 could not be utilized for implementation of the scheme, a proposal for reckoning the implementation period from 2005- 06 instead of

2004-05 has been taken up for approval of competent authority

Upgradation of 400 ITIs with World Bank Assistance

23.10 Out of remaining 400 ITIs to be upgraded with World Bank assistance, 100 ITIs were taken up for upgradation during FY 2006-07 with retroactive financing. 150 more ITIs were selected during 2007-08. Further, 108 ITIs have been taken up for upgradation during 2008-09 and also the list of remaining 42 ITIs is being finalized. Under VTIP, the individual ITI could either establish Center of Excellence (CoE) by introduction of multi-skill courses and/ or upgrade conventional trades in the ITI.

23.11 EFC has approved the Project in its meeting held on 8th May 2007. Also, CCEA in its meeting held on 2nd August 2007, approved the scheme. Agreement has been signed with World Bank on 2nd Nov. 2007.

23.12 The State Governments are required to enter into Memorandum of Understanding (MoU) to empower the Institute Management Committee (IMC), enhance powers of the Principals of the ITIs and have commitment for implementation / sustainability of the scheme during the Project period and beyond. The total Project cost has been estimated, as Rs.1581 crores. The cost sharing between Central and State Government is in the ration of 75:25 (90:10 in case of NE States and Sikkim). Central funds to the tune of Rs. 466 crores have been released till March, 2009.

23.13 The project objective is to improve the employment outcomes of graduates from the vocational training system, by making the design and delivery of training more demand responsive. The project has three components: (i) Improving the Quality of Vocational Training, (ii) Promoting Systemic Reforms and Innovation, and (iii) Project Management, and Monitoring and Evaluation.

23.14 The main thrust of the program is to

provide appropriate infrastructure, equipment, update syllabi and introduce new courses in the ITIs. The project envisages training of instructors and management level training programs to improve quality of training. The central institutes under DGE&T have also been strengthened to develop infrastructure for imparting training to the instructors on advanced modules in selected sector. The project would finance either the basic training or refresher training as per the individual instructor's assessed training needs in each project State/ UT.

23.15 Reforms and innovation are envisaged to bring about improvement in vocational training system and sustaining gains made under the Project. The project envisages studies designed to develop viable proposals for reforms. The project supports to adopt modern curriculum development methodologies, develop curricula inputs in emerging technologies for use in updating curricula and strengthen development of Instructional Media Packages (IMPs).

23.16 National Steering Committee (NSC), as an apex body has been constituted to guide and oversee the implementation of the project, under the chairpersonship of Secretary (Labour & Employment) with adequate representation from industrial bodies. At the State level, the Project would be guided by State Steering Committee (SSC), constituted by the respective States/ UTs. The project provides for an effective monitoring and evaluation system. Project monitoring is based on information assembled from the States/ UTs and through field visits. DGE&T team jointly with World Bank representatives undertook the First Joint Review Mission (JRM) during September - October, 2008. Representatives from Planning Commission, Government of India, and Industry Associations' participated in the review mission. The recommendations made in the JRM are being followed up with respective State Governments.

23.17 The course curricula of various trade

sectors and other related documents under the Project are available on DGE&T website -<http://dget.nic.in/WorldBank/worldbankassistedprojects.htm>

Scheme for “Upgradation of 1396 Government ITIs through Public Private Partnership”

23.18 In the budget speech 2007-08, Union Finance Minister announced a Scheme for Upgradation of 1396 Government ITIs into Centres of Excellence through Public Private Partnership. In pursuance of this announcement a Scheme has been formulated. Under the Scheme, an Industry Partner is associated with each Government ITI to lead the process of upgradation. An Institute Management Committee (IMC) is constituted / reconstituted with Industry Partner or its representative as its Chairperson and registered as a Society. Interest free loan of upto Rs. 2.5 Crore is given directly to the IMC for upgrading the training infrastructure of the ITI. The IMC is delegated the power to determine upto 20% of the admissions in the ITI. Financial and academic autonomy is granted to manage the affairs of the ITI. The state Government retains the ownership of the ITI and continues to regulate the admissions and fees except 20% admissions to be determined by IMC. A Memorandum of Agreement is signed among different stake holders.

23.19 The total outlay of the scheme, @ Rs. 2.5 Crore per ITI , for 1396 Government ITIs and Rs. 60 Crore for management, monitoring and evaluation is Rs.3,550 Crore. Cabinet Committee on Economic Affairs (CCEA) of the Union cabinet in its meeting held on 25.10.2007 has ‘in principle’ approved this scheme for the XI Five year plan period, and financial approval had been given for one year for up gradation of the first batch of 300 ITIs An interest free loan of Rs. 750 Cr. was given to the IMC Societies of 300 ITIs Rs. 2.5 Cr. per ITI during 2007-08. Subsequently, CCEA in its meeting held on 03.10.2008 has approved the Scheme for the up gradation of remaining 1096

Government ITIs, with a total outlay of Rs. 2800 Cr. for the period from 2008-09 to 2011-12. The second batch of 300 ITIs had been covered during the year 2008-09 and Rs. 749.99 cr. had been released to the IMC Societies, for upgrading these ITIs.

23.20 Interest free loan of Rs. 1500 Crore was given directly to the IMC Societies of 600 ITIs @ Rs.2.5 Crore per ITI during 2007-08 and 2008-09.

23.21 The Scheme under the Public Private Partnership is the first scheme of its kind in which Industry and Government Institutions have to work together for the upgradation of the ITIs. To sensitize the Industry Partner and the Principals of ITIs, 6 regional workshops were organized at Gurgaon, Lucknow, Mumbai, Bhopal, Kolkata, & Hyderabad. In the month of March ,2009, 7 more workshops ere organized at Lukhnow, Chandigarh, Bangalore, Ahmadabad, Hyderabad, Kolkata and Mumbai to review the progress of ITIs covered during 2007-08 and to sensitize Principals, Industry partners and state Govt. for the 2nd batch of 300 ITIs covered during 2008-09

23.22 For capacity building of Principals and Senior faculty members of 300 Government ITIs covered during 2007-08, a tailor-made programme was organized for 600 participants at 4 premier training Institutes viz. NIMSE Hyderabad, CRISP Bhopal, IDEMI Mumbai, and NIESBUD Noida. 540 participants were trained at these Institutes.

List of ITIs along with Industry Partner for the Scheme is at **Table 23.1**

Skill Development Initiative Scheme (SDIS)

INTRODUCTION

Ministry of Labour & Employment in pursuance of excellence in vocational training has developed a new strategic framework for skill development for early school leavers and existing workers in close consultation with industry, State

Governments and experts. EFC and CCEA approved the scheme on 19.2.2007 and 24.5.2007 respectively. Implementation of the SDI scheme was operationalised from May, 2007. SDI scheme is a five year project during which one million persons would be trained or their existing skills tested and certified under Modular Employable Skills (MES) framework.

The objectives of the scheme are:

- ◆ To provide vocational training to school leavers, existing workers, ITI graduates, etc. to improve their employability by optimally utilizing the infrastructure available in Govt., private institutions and the Industry. Existing skills of the persons can also be tested and certified under this scheme.
- ◆ To build capacity in the area of development of competency standards, course curricula, learning material and assessment standards in the country.

Key features of the scheme

- ◆ Demand driven short term training courses based on Modular Employable Skills (MES) decided in consultation with Industry. MES is the 'minimum skills set' which is sufficient for gainful employment.
- ◆ Central Government facilitates and promote training while industry, private sector and State Governments train the persons.
- ◆ Optimum utilization of existing infrastructure to make training cost effective.
- ◆ Flexible delivery mechanism (part time, weekends, full time, onsite/ offsite) to suit needs of various target groups.
- ◆ Different levels of programmes (Foundation level as well as skill upgradation) to meet demands of various

target groups.

- ◆ The services of existing or retired faculty or guest faculty to be utilized.
- ◆ Courses are available for persons having completed 5th standard.
- ◆ Testing & certification of skills acquired informally.
- ◆ Testing of skills of trainees by independent assessing bodies, which are not involved in training delivery, to ensure that it is done impartially.
- ◆ The essence of the scheme is in the certification that is nationally and internationally recognized.
- ◆ In-built incentive for both trainees and vocational training providers (VTP) - Reimbursement of fee is given only to those candidates who pass the tests. VTP has to initially bear part of training cost which is reimbursed when trainee pass the tests.
- ◆ Rating is given to VTPs so that prospective trainees can take informed decision. Registration of poor performing VTPs would be cancelled.

Fee & Reimbursement

Training Fee

- I. Rs.500 per module for modules having duration upto 90 hrs.
 - II. Rs.1000 per module for modules having duration from 91 to 180 hrs.
 - III. Rs.1500 per module for modules having duration from 181 hrs to 270 hrs.
 - IV. Rs.2000 per module for modules having duration more than 270 hrs.
- ◆ Candidates belonging to SC/ST category and women are given relaxation of 25% in training

fee. In order to motivate trainees to take the training programme seriously, training fees of all those trainees who successfully complete the training is refunded to them.

- ◆ Training cost @ Rs 15/- per person per hour is reimbursed to registered VTPs in respect of those successful persons who got training from it. VTPs reimburse training fee to the successful candidates
- ◆ A one time advance of Rs.3.00 lakhs to 10.00 lakhs is being paid to each Govt. ITI so that they can start courses under the SDI scheme
- ◆ Testing fee will be Rs 500/- Rs 800/. The testing fee is reimbursed to all the successful persons who have received training from approved VTPs.

Monitoring and Evaluation

- ◆ Apex Committee at National level and State Committees at State level advise and guide the project implementation. The Apex Committee is chaired by the Secretary, Labour & Employment, Govt. of India and State Committees is chaired by concerned Secretary/Principal Secretary to the State Government. These Committees have representatives of major stakeholders.
- ◆ Each State Government/UT administration has set up SDI cell. States/UTs has also declare one Govt. ITI as nodal ITI in each district, which coordinate with VTPs and provide support to the assessing bodies in its region.
- ◆ VTP would assist trainees in getting employment and track the trainees till they get gainfully employed.
- ◆ Post-training evaluation of 1% trainees certified is to be done every year.

Web based software

- ◆ Web based software would be used for implementation and monitoring of the scheme. It will also act as on-line employment exchange

providing job opportunity to the candidates.

Methodolgy

- ◆ DGET in consultation with Industry has identified employable skills and developed MES course curricula, learning materials & assessment tools
- ◆ DGE&T appoint Assessing Bodies for testing competency.
- ◆ Assessing Bodies will notify testing centers and select assessors.
- ◆ State /UT government invite applications from Institutes desirous to become VTP to run courses under SDI scheme and forward applications to respective Regional Directorate of Apprenticeship Training (RDAT) for registration of VTPs
- ◆ State/ UT Governments send an annual training plan proposal to the RDAT
- ◆ Registered VTPs admit and train candidates. They charge fee from trainees as prescribed under SDI scheme.
- ◆ After completion of training, trainees register with testing centers for assessment. Skilled persons directly register with assessing bodies for assessment.
- ◆ Assessing Bodies conduct tests and successful persons are awarded National Certificate on MES issued by NCVT.

Progress made so far:

- ❑ Course curricula for 419 MES course modules in 38 sectors have been approved by the NCVT.
- ❑ Apex Committee at National Level for guiding and advising the implementation of the scheme has been constituted.
- ❑ Implementation Manual containing guidelines for implementing the scheme has been prepared and circulated to State

- Governments/ UTs for implementation.
- ❑ Scheme has been operationalised throughout the country.
 - ❑ Ten Assessing Bodies have been empanelled for conducting assessment/testing for MES courses.
 - ❑ 'Guidelines for the Selection of Vocational Training Providers (VTPs)' have been prepared and circulated to State Governments/ UTs for implementation.
 - ❑ 1, 37,440 persons have been trained/ tested under the scheme (since inception).
 - ❑ 3,844 VTPs have been registered.
 - ❑ Consultant has been appointed for design,

development and management of web based software for implementation of the scheme.

- ❑ Website of SDI scheme has been launched (dget.gov.in/mes/index.htm)
- ❑ International Labour Organisation is partnering with the Ministry of Labour and Employment in operationalising the SDI scheme by designing and undertaking a pilot programme with a focus on four selected clusters. These clusters are: Brassware (Moradabad, UP), Glassware (Firozabad, UP), and Domestic Workers (Delhi). Stakeholders' consultation workshops have been held at Moradabad, Firozabad and Delhi.
