

the informal sector. Due importance has been given in the declaration to foster job opportunities, providing training and enhancing skills. The developed countries tried to include issues related to 'conditions that attract investment'. However due to the intervention of Indian delegation, the same was not incorporated. Similarly on Social Protection Floor, on the insistence of Indian delegation 'nationally determined social protection floor' was included in the text. On the issues of fundamental principles and rights at work, the text mentions about respecting, promoting and realizing these principles. Because of the stand taken by the Indian delegation nothing in the text was included related to: 1) fixing timelines related to the ratification, attaching conditionality to ratification of ILO conventions etc. The idea of 'coherence' has also found place in the conclusions. This coherence relates to 'coherence between national and international policies', 'social and financial issues', between UN organizations etc. In this area we have to be cautious in future that other UN agencies do not take over the role of specialized UN agencies like ILO, in the area of labour.

21.82 A task force for employment was set up. The important recommendations of the task force were included at para 20 of the declaration. The G-20 Meeting of Labour & Employment Ministers started on 17.06.2012. The Ministers and the Head of delegation of G-20 countries were received by Mexican Secretary of Labour and Social Welfare. The Mexican Secretary also gave here opening remarks focusing mainly on the area of youth employment. The representatives of trade unions and employers also shared their views about how to increase employment generation and specially tackle the problem of youth employment.

21.83 There were presentations by ILO and OECD on (i) economic recovery, job creation, challenges and opportunities for G-20 countries (ii) green growth and quality employment. The work done by the G-20 task force on employment was also shared with the House.

21.84 There were three thematic sessions (i) Quality employment towards the path of growth (ii) Quality employment in growth industries and (iii) Youth Employment. Shri A.C. Pandey Joint Secretary, spoke in Session. At the outset he drew attention on four

issues - (a) sluggish global growth, (b) decrease in employment elasticity of investment, (c) constraints in government fiscal policy space and (d) depressed private investment globally. He mentioned that developing countries face the problem of large informal sector, structural unemployment and large work force in agriculture sector. Thereafter, he mentioned about Government of India's initiative towards generation of quality employment and promotion of equitable inclusive sustainable growth. He also mentioned about the healthy growth and employment figures of our country. In the latter part of the speech he mentioned about MGNREGA. Special mention was made about National Skill Development Policy and our target of skilling 600 million persons by 2022. On the issue of green economy, Shri Pandey flagged the stand of the developing countries about the principle of 'common but differentiated responsibility'. He concluded by stating that a one size fits all approach cannot be pursued for all countries and the employment strategy should be defined by the country's level of development and the nature of its economy. In the session on Youth Employment, Shri Pandey made a brief intervention in which he also mentioned about Skill Development Initiative (SDI) Scheme of our country. He also spoke about the Self Help groups especially for women in rural areas. The SDI (MESC) Scheme attracted a lot of interest from other countries and some requests were received to send the details of this scheme.

21.85 The speakers of various countries were touching upon the issues of green economy and green growth. Shri A.C. Pandey made an intervention in Session 2 stating the stand of our country that we should build on Rio 92 and the principles enshrined in the Rio Declaration. A green economy in the context of sustainable development and poverty eradication (GEBDPE) essentially means that greening of economy has to be directed towards achieving the overarching objectives of sustainable development and poverty eradication. It proposed eight guiding principles for this purpose:

- Reaffirm the Rio Principles, including the principle of common but differentiated responsibilities.

- Strike a balance between the three pillars of sustainable development.
- Allow policy space for the countries to define their sustainable development strategies as per their national priorities and respective stages of development.
- Build institutional capacities at all levels - global, regional and local.
- Prioritize programmes for the inclusion and upliftment of socio-economically weaker sections of the society, women and youth.
- Promote access to green technologies at affordable cost, including through greater financial assistance for R&D (research and development) in the public domain.
- Strengthen global partnership for sustainable development, including for access of developing countries to additional financing.
- Avoid green protectionism in the name of green economy.

21.86 The ministerial meeting finally concluded with the speech of Mexican President who spoke in detail about employment related issues in his country.

G20 Task Force on Employment

21.87 The 1st Meeting of the G20 Task Force on Employment was held on 15.12.2011 at Mexico. The G20 Summit, 2012 was held under the presidency of Mexico. As far as Ministry of Labour & Employment, Government of India is concerned Mr. Amarjeet Kaur, Deputy Director General (Employment), DGE&T was deputed to attend the 1st Meeting of Task Force on Employment. During the meeting, presentations were made by ILO and OECD, ITUC-TUAC, Government of Mexico and IOE/BAC. Government of India also made a presentation on Fostering Job Creation for Young Men and Women. An Outline of the Sessions of the Meeting is given below:

1st Session:

- Presentations made by ILO and OECD on Youth and Labour Markets in the G20 Countries
- Presentations by ITUC-TUAC on Union Priorities for the Mexico Presidency of the G20 in 2012

and Developing A Compact to Raise Youth Employment

- IOE/BAC Statement on Business Priorities for Youth Employment

2nd Session: Presentation by the Government of Mexico on the Priorities of the Task Force, Road Map and discussions

3rd Session:

- Presentations by a number of countries on the best practices on Youth Employment Policies and Programmes
- Presentation by Government of India on Fostering Job Creation for Young Men and Women.

4th Session (Last Session): Details highlighted by the Representative of Government of Mexico on the Website created for the Task Force, Web Forum, etc.

21.88 Out of the six topics suggested by the Government of Mexico, it was decided during the Meeting to focus on two items:

- Policies or Programs to foster Job Creation for Young People
- Programs, strategies or plans to promote an effective school-to-work transition

21.89 G-20 Task Force on Employment meeting on "Key Elements of Quality Apprenticeship" was concluded in the ILO from 1-2, October 2010 and India was represented by Shri Lavanya Kumar K.R, Third Secretary (LT), P.M. Geneva. A document titled "G-20 Strategies on Youth Employment" was submitted for the final consideration/acceptance of the G-20 countries. The final chapter (No.5) of the document was already accepted by the Labour Ministers of these countries. The experts and the focal points for the G-20 in the respective Ministries of Labour and Employment have already shared their comments/ views on the Chapter Nos. 2 to 4 through the dedicated website maintained by Mexico, the current President of the G-20. The European Union (E.U) requested the Member States to highlight the unemployment problems of the highly skilled youth as the Chapter no. 2 deals only with the unemployment problems of low skilled youth. The

United States opined that the unemployment problems of the highly skilled youth are mainly due to the structural problems of the economy and it differs completely with that of unskilled ones. The request of the E.U. could not find support from the Member States. The Chapters 2, 3 and 4 of the document were formally accepted unanimously as they already had the approval of the experts.

21.80 The OECD (Organization for Economic Cooperation and Development) and the I.L.O (International Labour Organization) gave the presentations on the topic: "Quality Apprenticeships: Their Impact in Youth and the Labour Market". The presentation of the OECD highlighted the existence of wide disparities in youth unemployment across the G-20 Countries. The issues of inclusiveness, skills focus and good governance were stressed for the successful quality apprenticeships. The importance of Small and Medium sized Enterprises (SMEs) in the expansion of apprenticeships was emphasized as the large sized firms are fewer in number.

21.81 The I.L.O mentioned that the countries with better or more apprenticeships have lower youth unemployment and their studies have shown that the youth unemployment is likely to far exceed that of the adult unemployment where apprenticeships are weak. The I.L.O expressed concern over the increasing duration of long term structural unemployment among the youth in the G-20 Countries. The statistics presented by the I.L.O indicated that more than 50 per cent of the youth of Spain and Italy are unemployed. Both the I.L.O and the OECD expressed concern over the rising levels of structural unemployment, the acute shortage of skilled labour force and their lower productivity. Germany, France, Japan and Brazil presented the successful apprenticeship programmes of their countries. The Member States expressed much interest on the Dual Training System of Germany and the Job Card System of Japan, where the apprenticeship programmes are in tune with the needs of the industry.

21.82 The Employers Group accentuated the importance of competency based training rather than the time bound training methods. The need of the engagement of the SMEs in the vocational training

and skills development was highlighted. The Employers reaffirmed the Governments role, quality education and the dialogue with the Social Partners in developing the apprenticeships. The Governments were urged to give priority to the Vocational Education and Training so as to promote the employability of youth. Mexico acknowledged the above needs and also urged the Member States to enforce sufficient protection measures to avoid the exploitation of trainees by the Employers. Member States deplored the situation of lack of good perception of apprenticeships in the societies. The Employers urged the Governments to prepare a policy framework to facilitate the quality apprenticeships.

21.83 The Workers Group stressed the need of quality apprenticeship and gender equality in the training programmes of the unemployed youth. The Governments and the Employers were urged to share the cost of apprenticeships.

21.84 The Task Force agreed to suggest the following proposals (Formulated by France, U.S, E.U and Australia) for the consideration of the Ministers of Labour and Employment, in the next G-20 meeting to be held in Russia:

- The Task Force considers apprenticeship programmes to be an efficient way for enhancing workers skills shortages, addressing skills mismatches and reducing youth unemployment.
- The Task Force considers that there is a scope, subject to national circumstances, for the G-20 Countries to address one or more of the key elements listed above to scale-up, strengthen and improve the quality of apprenticeship programmes, as well as the development of evaluation tools.
- The Ministers may wish to take account of the exchange of good practices on quality apprenticeships within in the G20 Task Force and encourage further exchanges and follow up on this subject.
- The Ministers may also wish to acknowledge the involvement of Social Partners and encourage their efforts to foster agreements that promote and strengthen quality apprenticeships.

21.95 Mr. Guy Ryder, the Director General of the ILO stated that the Organization attaches great importance for the work within the G-20 system and further collaboration of the G-20 with the ILO was welcomed. Russia, the Presidency in 2013, stated that the G-20 Task Force will focus on the topics namely "employment for economic growth, employment of disadvantaged groups and the employment policies at regional levels". Russia expressed its reluctance to deal further with the topic of apprenticeship under its presidency, as the topic is being discussed nearly for two years. Russia considers hosting three meetings of the Task Force, similar to the existing practice, two in Russia and one in the ILO. In view of this, the development of evaluation tools for the assessment of apprenticeships at the Country level and further follow up of this issue may not be there in the future.

Fourth ASEM Labour & Employment Ministers' Conference, 25-26 October, 2012, Ha Noi

21.96 The Fourth ASEM Labour & Employment Ministers' Conference was from 25-26 October, 2012 at Ha Noi, Vietnam. Shri Sharda Prasad, DGE&T and Mr. Anarjet Kaur, DDO (E) attended the meeting. DGE&T underlined the need for giving importance to formulate policies to increase employment growth in services, particularly high-end services. He further stated that it is also required to improve the quality of employment in low-end services, to make the growth process more inclusive. He also mentioned about our draft National Employment Policy, RSBY, MGNREGA, etc. The Ha Noi Declaration was adopted during the meeting.

MULTILATERAL COOPERATION

HIGH-LEVEL INTERNATIONAL MEETINGS

21.97 Some of the prominent international meetings where India participated actively include:-

21.98 A delegation led by Shri A.C.Pandey, Joint Secretary Ministry of Labour & Employment attended the G-20 Labour & Employment Ministerial Meeting in Guadalajara, Mexico during 17-18 May, 2012. The main topic of the meeting was "Creation of Quality Employment". The meeting was preceded by the last preparatory meeting (SMERPA meeting) held on 15.05.2012 in Guadalajara, Mexico.

21.99 A delegation led by Shri Sharda Prasad, Additional Secretary / DG, DGE&T attended the 4th ASEM Labour & Employment Ministers' Conference during 24-26 October, 2012 in Hanoi, Vietnam. The main theme of this Conference was "Employment and Social Protection - A Key to Sustainable and Inclusive Growth". The Labour & Employment Ministerial conference consisted of two sessions:

- Policies to Foster Employment, including Youth Employment and Employment of Other Vulnerable Groups
- Three Key Future Challenges of our Joint Decent Work Agenda, including Social Protection, CBRI and Health and Safety at Work.

21.100 A delegation led by Dr.Mutyunjay Sarangi, Secretary, Ministry of Labour & Employment attended the 316th Session of the Governing Body of ILO at Geneva, Switzerland held from 1-16, November, 2012. Governing Body Session is constituted of various sections as: Institutional Sections (INS), Policy Development Section (POL); Legal Issues and International Labour Standards Section (LIS); Programme, Financial and Administrative Section (PFA); High Level Section (HL); and Working party on the functioning of the Governing Body and the International Labour conference (WP/IGBC). Our delegation made various interventions during the proceedings of the various sections.

21.101 A four member Afghan Delegation (Joint Working Group) led by Mr. Mohammad Saleh Mastoor, DG of Policy and Planning, Ministry of Labor, Social Affairs, Martyrs & Disabled (MoLSAMD), Government of Afghanistan visited New Delhi during 24-27 April, 2012. The main topics of discussions were as under:-

- Technical support in developing a comprehensive Employment Strategy for Afghanistan and Labour Market Information system & other skill development initiatives etc
- Child Labour, support for Gender Policy, designing rehabilitation programmes, matters relating to Labour welfare and other labour related areas, labour policy etc.

21.102 A three member US Delegation (Joint Working Group) led by Mr. Amit Pandya, Chief of Staff, Bureau

of International Labour Affairs, United States Department of Labour visited New Delhi on 27th April, 2012. The delegation discussed issues on Occupational Safety, Mines Safety, Skill Development and Employment.

21.103. An Agreement on mutual cooperation between the Ministry of Labour and Social Protection of Population of the Republic of Tajikistan and the Ministry of Labour & Employment, Government of India was signed on 3rd September, 2012. The areas covered under the agreement are:-

- ✓ Regulation of the labour market and problems of employment,
- ✓ The protection of employees in the workplace;
- ✓ Salary and incentives;
- ✓ Exchange of experience of employees of the

Parties in the field of training and retraining. ;

- ✓ Exchange of experience in cooperation with the United Nations and its structural bodies of the International Labour Organization,
- ✓ Occupational Safety and Health.

21.104. In terms of the MoU signed between Ministry of Labour & Employment and Department of Labour of Government of United States of America – the Globally Harmonized System for Hazardous Chemicals ‘Webinar’ was launched at Regional Labour Institute, Faridkot on 26.11.2012 .

21.105. A Swedish delegation led by Mr. Ulf Kristianson, Minister for Social Security, Kingdom of Sweden visited Ministry of Labour & Employment, New Delhi on 27.11.2012. The bilateral meeting was held between the Swedish Minister and Shri Kodikunni Suresh, Hon'ble MoS (L&E).

BACKGROUND

22.1 The Directorate General of Rehabilitation and Employment (DGR&E) now known as Directorate General of Employment and Training (DGET) was set up in July 1945 for the purpose of resettling demobilized Defence Service personnel and discharged War Workers in civil life.

22.2 After Independence, the Directorate General was also called upon to handle work relating to displaced persons from Pakistan. Subsequently, the scope of the Directorate was extended to cover employment service to all categories of job seekers in early 1948, and training services to all civilians in 1950.

22.3 In pursuance of the recommendations of the Training and Employment Service Committee (Shree Rao Committee set up in 1952), the day-to-day administrative control of the Employment Exchanges and Industrial Training Institutes (ITIs) was transferred to the State Governments / Union Territory Administrations with effect from 01.11.1958 on cost sharing basis between Centre and States.

22.4 Cost sharing by the Centre with the State Governments to the extent of 60% of the cost of the establishment was continued up to 31-03-1968 after which the scheme was discontinued, based on the decision taken by the National Development Council in May, 1968.

22.5 With each successive Five Year Plan, there has been considerable expansion of the activities of the Employment Service and Training Service in the Centre and the States. The total number of Employment Exchanges functioning at the end of December, 2011 is 986 (including 76 University Employment Information and Outreach Bureaus); and the total number of Industrial Training Institutes (both Government and Private) is 10,341 with a seating capacity of around 14.53 lakh.

22.6 The Directorate General is headed by the Director General of Employment & Training / Joint Secretary to Government of India. The organizational set up of the Directorate General consists of three principal wings, namely, Directorate of Training, Directorate of Employment and Secretarial Wing.

RESPONSIBILITIES**EMPLOYMENT DIRECTORATE**

- Plans and formulates programmes for expansion and development of National Employment Service in consultation with State Governments.
- Coordinates the work of Employment Service in States/UTs.
- Conducts regular training programmes and develops staff training material for the Employment Service personnel.
- Carries out continuous programme of evaluation of policies, procedures and working practices of Employment Exchanges in the States with a view to assessing and advising the State Governments on the progressive development of the service and to ensure that National Policies, Standards and Procedures are effectively implemented.
- Provides a central agency for adjusting surpluses and shortages in certain specified areas where recruitment requires wider circulation.
- Collects and disseminates Employment Market Information and prescribes uniform reporting procedures for the organized sector and Employment Exchanges.
- Co-ordinates Vocational Guidance and Career Counseling Services rendered through Employment Exchanges and University

Employment Information and Guidance Bureaux (UEIGBs) to the unemployed youth for choosing and planning their career suited to their abilities and skills.

- Evaluates residual capabilities of physically challenged persons and to provide them adjustment training in order to facilitate their economic rehabilitation.
- Establishes coordination and consultation with the Ministries of the Government of India whose activities affect the employment situation in the country.
- Provides Vocational Guidance and Training in confidence building to SC/ST job seekers.
- Formulation of National Employment Policy
- Preparation of Annual Report to People on Employment.

STATUTORY PROVISIONS

22.7 The statutory provisions enforced by DGE&T are:-

- Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 and Rules made thereunder.
- Apprentices Act, 1961 and Rules made thereunder.

22.8 The following statutory and non-statutory bodies are functioning under the DGE&T:-

Statutory Body

- Central Apprenticeship Council (CAC)

Non-Statutory Bodies

- Working Group on National Employment Service.
- National Council for Vocational Training (NCVT)

INFRASTRUCTURE AVAILABLE EMPLOYMENT SERVICE

WITH STATE GOVERNMENTS:

- 968 Employment Exchanges (including 40 Special Employment Exchanges for Handicapped) throughout India as on 31.12.2011.

- 38 Special Cells for Handicapped persons are functioning in 40 Employment Exchanges in various States as on 31.12.2011.

- Most of the States have Directorates of Employment located in the State Capitals.

WITH CENTRAL GOVERNMENT:

- 20 Vocational Rehabilitation Centres (VRCs) for Handicapped out of which one Centre at Vadodara is exclusively for women with disabilities.
- 24 Coaching-cum-Guidance Centres for Scheduled Castes/Scheduled Tribes
- A Central Institute for Research and Training in Employment Service (CIRTES) located at Noida (Uttar Pradesh)
- Central Employment Exchange under Directorate of Employment at New Delhi

HIGHLIGHTS

EMPLOYMENT SERVICE

22.9 DGE&T does not implement any employment generation scheme. Its role is to co-ordinate and oversee the employment generation taking place in the Country through the National Employment Service in India. The network of Employment Service has expanded from 18 Employment Exchanges in 1951 to 968 Employment Exchanges as on 31.12.2011.

22.10 One of the most important roles played by the Employment Exchanges is to motivate and guide the unemployed youth for taking up self-employment ventures in view of shrinkage in wage paid jobs. In 22 selected Employment Exchanges, Special Cells for Promotion of Self-Employment have been working. Up to the end of October, 2012, 1.16 lakh persons had been placed in self-employment, out of which 0.81 lakh (79.69%) were men and 0.34 lakh (29.91%) were women. About 2.25 lakh persons were on the Live Register, aspirants of seeking Self-Employment assistance during the period under reference. The Self Employment Promotion Cells also continued to function during 2012-13.

22.11 As on 30.09.2012, 420 Vocational Guidance Units in Employment Exchanges and 76 University Employment Information and Guidance Bureaux

(JEDIGDC) within the University Campuses have been functioning in the country to render Vocational Guidance and Employment Counseling to job-seekers.

22.12 In order to maintain regular & reliable Labour Market Information, Employment Service in the States has been implementing the Employment Market Information (EMI) programme. The programme covers all establishments in the Public Sector and non-agricultural establishments in the Private Sector employing 10 or more workers.

22.13 Twenty four Coaching-cum-Guidance Centres (CGCs) for SC/STs have been set up in 24 States. Vocational Guidance and training in Confidence Building is provided to SC/ST job seekers through these centres. Besides, the facilities for practising typing and shorthand are provided to SC/ST job seekers in 14 Coaching-cum-Guidance Centres. These Centres have also been arranging Pre-Recruitment Training Programme for SC/ST candidates to improve their employability in competitive examinations conducted by Staff Selection Commission and other Recruitment Boards for Group 'C' and equivalent posts. During 2012-13 (from April-September, 2012), 5044 candidates could make use of facilities provided at CGCs to practice typing and shorthand and 2656 candidates participated in the Pre-Recruitment Training Programmes organised by CGCs.

22.14 Twenty Vocational Rehabilitation Centres (VRCs) for Handicapped have been functioning in the country, out of which, one Centre at Vadodra has been set up exclusively for women with disabilities. These Centres evaluate residual capacities of persons with disabilities and provide them adjustment training and skill training with a view to integrate them in the economic mainstream and make them productive citizens of the country. These Centres play pro-active role in creating public awareness and community participation in the rehabilitation of people with disabilities. During 2011-12, these Centres registered 31,770, evaluated 31,556 and rehabilitated 11,566 persons with disabilities. Three barrier free buildings for VRCs, one each at Bhubaneswar, Kanpur and Kolkata have been constructed and the centres are functioning in the new buildings. During 2012-13 (upto

30.09.2012), these centres have registered 17499, evaluated 17385 and rehabilitated 6813 persons with disabilities. Construction of two more barrier free buildings for VRC, Agartala and Guwahati is underway. Training under Skill development Initiative Scheme based on Modular Employable Skills has been conducted in VRCs for imparting training to Persons with Disabilities.

22.15 Placement service to the disabled Ex-servicemen/Border Security Force personnel and their dependents is provided through an Ex-servicemen Cell set up in DDE&T(Hqrs.). At the end of October, 2012, there were 257 disabled soldiers and 2,447 dependents availing employment assistance through the Ex-Servicemen Cell.

22.16 Central Institute for Research & Training in Employment Service (CIRTES) is responsible for imparting training to officers of the Employment Service and conducting research to provide feedback on various programmes of NES and develop tools and techniques for better implementation of NES programmes. It also prepares career literature for vocational guidance and career counseling. During 2012-13, CIRTES participated in KILE collaborative residential workshop for Kerala officers and one refresher training courses on Vocational Guidance and self employment is to be conducted in the month of February.

TRAINING DIRECTORATE With Central Government

- Six Advanced Training Institutes at Kolkata, Chennai, Kanpur, Hyderabad, Ludhiana and Mumbai.
- Central Training Institute for Instructors, Chennai.
- Two Advanced Training Institutes for Electronics and Process Instrumentation at Hyderabad and Dehradun.
- Central Staff Training and Research Institute, Kolkata.
- Six Regional Directorates of Apprenticeship Training at Mumbai, Kanpur, Kolkata, Chennai, Hyderabad & Faridabad.

- National Vocational Training Institutes for Women, Noida (Uttar Pradesh).
- Ten Regional Vocational Training Institute for Women at Mumbai, Bangalore, Thiruvananthapuram, Panipat, Kolkata, Tura, Indore, Allahabad, Vadodra & Jaipur.
- Two Foremen Training Institutes at Bangalore and Jamshedpur.
- Four Model Industrial Training Institutes at Haridwar (Uttanchal), Kozhikode (Kerala), Chowdwar (Orissa) and Jaipur (Rajasthan).
- National Instructional Media Institute, Chennai.
- Apex Hi-Tech Institute, Bangalore.
- Directorate of Training in New Delhi at Stream Shakti Bhawan.

EMPLOYMENT DIRECTORATE

22.17 Twenty three Coaching-cum-Guidance Centres for SC/STs have been set up in 23 States. Vocational Guidance and training in Confidence Building is provided to SC/ST job seekers through these centres. Besides, the facilities for providing typing and shorthand are provided to SC/ST job seekers in 13 Coaching-cum-Guidance Centres. These Centres have also been arranging Pre-Recruitment Training Programme for SC/ST candidates to improve their employability in competitive examinations conducted by Staff Selection Commission and other Recruitment Boards for Group 'C' and equivalent posts. During 2011-12 (from April, 2011 to November, 2011), 7876 candidates could make use of facilities provided at CGCs to practice typing and shorthand and 2500 candidates participated in the Pre-Recruitment Training Programmes organized by CGCs.

22.18 Twenty Vocational Rehabilitation Centres (VRCs) for Handicapped have been functioning in the country, out of which, one Centre at Vadodra has been set up exclusively for women with disabilities. These Centres evaluate residual capacities of People with disabilities and provide them adjustment training and skill training with a view to integrate them in the economic mainstream and make them productive citizens of the country. These Centres play pro-active role in creating public

awareness and community participation in the rehabilitation of people with disabilities. During 2011-12, these Centres registered 22522, evaluated 22377 and rehabilitated 9029 persons with disabilities. Three barrier free buildings for VRCs, one each Bhubaneswar, Kanpur and Kolkata have been constructed and the centres are functioning in the new buildings. Construction of two more barrier free buildings for VRC, Agartala and Guwahati is underway. Training under Skill development Initiative Scheme based on Modular Employable Skills has been introduced in VRCs for imparting training to Persons with Disabilities.

22.19 Placement service to the disabled Ex-servicemen / Border Security Force personnel and their dependants is provided through an Ex-servicemen Cell set up in DDEAT (Hqrs.). At the end of November 2011, there were 296 disabled soldiers and 2,432 dependants awaiting employment assistance through the Ex-Servicemen Cell.

22.20 Central Institute for Research & Training in Employment Service (CIRTES) is responsible for imparting training to officers of the Employment Service and conducting research to provide feedback on various programmes of NES and develop tools and techniques for better implementation of NES programmes. It also prepares career literature for vocational guidance and career counselling. During 2011-12 (01 October, 2011), CIRTES organized two refresher training, one integrated training and two refresher training courses on Vocational Guidance and self employment.

ANNUAL REPORT TO THE PEOPLE ON EMPLOYMENT

22.21 In her address on 04.08.2009 to the Joint Session of both Houses of Parliament, the President of India announced that the Government will bring out five Reports to the People on education, health, employment, environment and infrastructure. Ministry of Labour & Employment was entrusted with the responsibility of bringing out the report on employment, being the nodal Ministry on employment related matters.

22.22 Since then two annual reports for year 2010 and 2011 have been released. Third report for the year 2012 has also been drafted and is under finalization.

22.23 The first Annual Report to the People on Employment had covered inclusion of employment as one of the themes and underlined the Government's commitment and priority attached to this subject and its potential for advancing the objective of inclusive economic growth and development. The report aimed to contribute to the national agenda of 'inclusive growth' by focusing on those population groups who face variety of socio-economic and institutional entry barriers and fail to earn a respectable living status despite being engaged in economic activities.

22.24 The second Annual Report to the people on Employment identified the emerging trends in the labour market, highlighted the role of specific sectors and sub sectors in generating quality employment and examined the existing inequalities in the labour market in order to advance the goal of inclusive growth. The Report also highlighted the contribution made by innovative Government schemes and programmes in addressing issues of employment, social security and skill development of the labour force in general and those of the poor and disadvantaged sections, in particular.

EMPLOYMENT EXCHANGES MISSION MODE PROJECT

22.25 Employment Exchanges Mission Mode Project (EEMMP) is an initiative undertaken by the Ministry of Labour & Employment, Government of India to upgrade and modernize employment services rendered through the network of Employment Exchanges (EEs) across India. The project aims to develop a National Web Portal for providing effective, speedy and transparent employment related services to the citizens of the country. The implementation of the EEMMP will lead to enhancement of quality of government employment services in the country.

22.26 The main objectives of the project are as under:

- To create easy and speedy access to services of employment exchanges for all the stakeholders
- To collect and disseminate information on employment and training, to job seekers and

employers in organized and unorganized sector so as to ensure a proper balance between the demand and supply of workforce.

- To provide relevant employment counseling, assessment of capabilities and vocational guidance services to job seekers in improving their employability
- To obtain and provide accurate and quality Labour Market Information for planning and decision making in a timely manner

22.27 The project is in the process of getting necessary approval from EPC / CCEA.

SKILL DEVELOPMENT

22.28 Skill development is critical for achieving faster, sustainable and inclusive growth on the one hand and for providing decent employment opportunities to the growing young population of India on the other. Technological changes, changes in financial markets, the emergence of global markets for products and services, international competition are among the more significant developments that are transforming the world of work. Skill building and training, a central pillar of decent work, is a means to empower people, improve the quality and organization of work, enhance citizens' productivity, raise workers' incomes, promote job security and social equity and help individuals become more employable in rapidly changing internal and external labour markets.

22.29 DGE&T continue to improve quality of productivity throughout the economy by systematic supply of trained manpower to the industry through various vocational training programmes. Brief of these programmes has been given in the following Para's. Details of these programmes are given in the subsequent chapters.

CRAFTSMEN TRAINING

22.30 To sustain adequate supply of semi skilled workers, and also for value creation through dynamic vocational training policy and infrastructure, 10344 Industrial Training Institutes (ITIs) are functioning all over the country having seating capacity to 14.67 lakh to impart training in 132 trades.

22.31 Apart from ITIs, Craftsmen Training is also imparted through 6 Model Training Institutes (MTIs) attached to 5 Advanced Training Institutes (ATIs) and one Central Training Institute (CTI) under the DGE&T. Besides, one National Vocational Training Institute

(NVTI) and 10 Regional Vocational Training Institutes (RVTIs) have also been imparting craftsmen training in women's occupations.

22.32 About 70% of the training period is allocated for imparting practical training. Theoretical training is given in subjects related to Trade Theory, Workshop Calculations & Science, Engineering Drawing and Social Studies (which also includes a module on Information Technology).

22.33 In order to reorient the training modules as per the changing skill requirements of the industries, broad based craftsmen training on modular pattern is offered in 4 Model Industrial Training Institutes (MITIs) at Haldwani, Kozhikode, Jodhpur and Choudwar under the DGET. Further details are given in Chapter 27.

APPRENTICESHIP TRAINING SCHEME

22.34 It is obligatory on the part of employers both in Public and Private sector establishments having required training infrastructure as laid down under the Apprentices Act, 1961 to engage apprentices. The Act covers 254 groups of industries of about 27,000 establishments engage apprentices.

22.35 As on 30.09.2012, 2,25,137 training seats for the trade apprentices in 252 trades have been utilized against 3,37,111 seats identified in 27,000 establishments covered under the Act.

22.36 126 subject fields have been designated for Graduate & Technician Apprentices and 138 for Technician (Vocational) Apprentices. As against 1,03,209 training seats located for these categories, 65,157 have been utilized as on 30.09.2012. Further details are given in Chapter 28.

CRAFT INSTRUCTORS' TRAINING SCHEME

22.37 Qualified trainers are key to provide quality skill development for helping trainees reach high standards in vocational competencies. Their training and retraining is critical element of any successful training system. This is important for ensuring their employability and facilitating their transition from training to work or further training. In the current year a total of 1000 trainers from all over the country were trained in 29 trades through 3 ATIs and Central Training Institute for Instructors. Modular concept has been introduced to make training courses flexible. Second shift w.e.f November, 2012 has been started to increase the seating capacity under Crafts Instructor Training Programme. The Instructor

Training Programme has also been started at Advanced Training Institute (ATI), Chennai and in both Advanced Training Institutes for Electronic and Process Instrumentation (ATI-EPis) at Hyderabad & Dehradun. Details are given in Chapter 29.

ADVANCED VOCATIONAL TRAINING SCHEME

22.38 Advanced Vocational Training Scheme (AVTS) ensures that the individual's skills and competencies improve as technology and skill requirements change. It also ensures the personal and career development of workers and results in increasing in aggregate productivity and income. With this view, training of workers to over 2,87,000 industrial workers in the advanced vocational areas have been provided through 6 Advanced Training Institutes. To meet the growing demand, the facilities were extended to 30 more ITIs. More details are given in Chapter 29.

ADVANCED VOCATIONAL TRAINING IN ELECTRONICS AND PROCESS INSTRUMENTATION

22.39 Two Advanced Training Institutes in Electronics and Process Instrumentation set up at Hyderabad and Dehradun offer advanced vocational training courses in the field of Electronics and Process Instrumentation. A total of 4249 short term and long term courses were conducted at these institutes since inception and 56769 trainees have been trained up to November, 2012.

SUPERVISORY TRAINING / FOREMEN TRAINING

22.40 Short-term / tailor-made programmes and long-term courses are conducted at two Foremen Training Institutes located at Bangalore and Jamshedpur to train the existing and potential shop-floor foremen and supervisors in technical and managerial skills.

22.41 These institutes have conducted 3729 courses and trained 53,379 foremen/ supervisors in short-term and long-term courses up to November, 2012. More details are given at Chapter 29.

STAFF TRAINING, RESEARCH AND DEVELOPMENT

22.42 The Central Staff Training and Research Institute (CSTAR) was set up in 1966 with the technical assistance from the Government of Federal Republic of Germany to conduct training programme for executive staff and to undertake applied research in the field of vocational training and also to develop,

disseminate instructional materials and projected / non-projected training aids.

22.43 Upto November 2012, the Central Staff Training and Research Institute at Kolkata has trained 21751 personnel, and completed 6 projects covering various aspects of vocational training. During the year, Institute has also developed / revised 202 curricula of the trades of various training activities under skill development training programme.

22.44 The Institute has also started special training programmes in non-formal areas for training staff of Vocational Rehabilitation Centres for Physically Handicapped.

DEVELOPMENT OF INSTRUCTIONAL MEDIA

22.45 One Institute named Central Instructional Media Institute (CIMI) was set up with the assistance of Government of Germany in December 1998 to develop instructional material on Vocational Training for the use of trainees and trainers. Institute has been made autonomous on 1st April 1999.

22.46 As per the recommendation of the Governing Council in its 5th Meeting held on 29.06.2003 under the Chairmanship of the Hon'ble Union Labour Minister, the Institute was renamed as National Instructional Media Institute (NIMI) to reflect its national character.

22.47 The main objective for the establishment of the Institute is to make available instructional materials in various trades for the use of the trainees and trainers to ensure overall improvement in the standard of institutional training being imparted under Craftsmen and Apprenticeship Training Programmes.

22.48 Present activities of the Institute include development, production and dissemination of Instructional Media Packages (IMPs) comprising of books on Trade Theory, Trade Practical, Test / Assignment, Instructor's Guide, Visual Aids, Support materials such as books on Workshop Calculation & Science, Reference text books, Table books, etc.

22.49 Development of Question Banks to conduct All India Trade Test for Craftsmen Trainees, and "Awareness Training Programme/Multipler Training Programme" for effective use of IMPs to the instructors

of ITIs/ITCIs to enable effective implementation of Vocational Training. Details are given in **Chapter 23.**

WOMEN'S VOCATIONAL TRAINING PROGRAMME

22.50 DGE&T are providing various training facilities for women through "the National Vocational Training Institutes for Women, Noida (NVTI) and Regional vocational training Institutes for Women (RVTIs) set up at different states/parts of the country (RVTIs) for Women.

Achievement till now:

Central Sector

22.51 More than 101922 women have been trained since inception of the NRVITIs in 1979 in various training courses until 2012-13 (as on 30.10.2012): 55762 women in long term courses and 46170 in short-term courses. NVTI/RVTIs have in all about 6958 (regular and adhoc/additional) seats sanctioned/ likely to be sanctioned in various training courses.

State Sector

22.52 During 2012-13 (as on October 2012) about 1454 Women ITIs/ITCIs and women wings have been set up comprising a total of 78060 Training seats as per information furnished by the State Governments. Details are given in **Chapter 23.**

NEW INITIATIVES

22.53 Government of India has signed Financing Agreement in November 2007 with World Bank for upgradation of 400 ITIs under vocational training Improvement Project (VTIP). Under VTIP, the individual ITI could establish Center of excellence (CoE) by introducing multi-skill courses and for upgrade conventional trades in the ITI.

22.54 The other major activities to be taken up under VTIP include Training of Trainers, curricula development, reform studies and support for innovation- pilot projects for improvement of vocational training in India. Details are given in **Chapter 23.**

22.55 A new Project "Skill Development Initiatives" has been launched in 2007-08. It is a five year project during which one million persons would be trained or their existing skills tested and certified. Details are given in **Chapter-23.**

Field Institutes / Offices under DGE&T (Total 76)			
S.No	State	Training Directorate	Employment Directorate
1.	Andhra Pradesh	- Advanced Training Institute, Hyderabad - Advanced Training Institute for Electronics and Process Instrumentation, Hyderabad - Regional Directorate of Apprenticeship Training, Hyderabad	- Vocational Rehabilitation Centre for Physically Handicapped, Hyderabad - Coaching-cum-Guidance Centre for SC / ST, Hyderabad
2.	Assam		- Vocational Rehabilitation Centre for Physically Handicapped, Guwahati - Coaching-cum-Guidance Centre for SC / ST, Guwahati
3.	Bihar		Vocational Rehabilitation Centre for Physically Handicapped, Patna

23.1 Union Finance Minister in his Budget Speech 2004-05 and reiterated in 2005-06, announced measures for upgradation of 500 ITIs in the country to produce technicians of world standard. Subsequently, as per advice of Ministry of Finance, upgradation of 100 ITIs was taken up from domestic resources and 400 ITIs through World Bank assistance.

23.2 To produce multi-skilled workforce of world standard, the ITIs are being upgraded into 'Centers of Excellence (CoE)' that includes providing infrastructural facilities for introduction of multi-skill courses catering to the need of a particular cluster of industry around an ITI.

Salient features of the Multi-Skill Courses are:

23.3 The highlights of the scheme are :

- Introduction of Broad Based Basic Training (BBBT) courses of one year followed by 6 month duration Advanced modular courses.
- Specialized modules mainly in Industry (shop floor training).
- Multi-entry and multi-exit provisions.
- Industry wise cluster approach.
- Public-Private-Partnership in the form of Institute Management Committee (IMC) to ensure greater and active involvement of industry in all aspects of training.

23.4 21 industrial sectors have been identified and curricula of more than 200 modules are developed and being implemented.

Upgradation of 100 ITIs with Domestic Resources:

- The objective of the scheme is to upgrade the existing 100 ITIs into 'Centers of Excellence (CoE)' for producing multi skilled workforce of world standard.

- 100 ITIs funded from domestic resources have been distributed in 22 States/UTs (other than J&K, Sikkim and NE States) in proportion to the number of Government ITIs in these States.
- The total cost of the Scheme is Rs. 150 crore, out of which the central share is Rs. 120 crore, on a ratio of 75:25 cost sharing basis between Central and the State Government, as advised by Ministry of Finance.
- A total amount of about Rs.115 crore was released till March 2010. The scheme has since been closed in March 2010.

Upgradation of 400 ITIs into Centers of Excellence with World Bank assistance

- The Scheme for upgradation of 400 ITIs into Centres of Excellence namely 'Vocational Training Improvement Project' has been taken up with assistance of the World Bank. 30 State Governments / UTs are participating under the project.
- The total project cost is 1581 crore out of which Rs.1231 crore is funded by the World Bank and the remaining Rs.350 crore is the State share. The scheme is funded in the ratio of 75:25 i.e. 75% is the central share and 25% is the state share. The funding pattern between Centre and NE States is 90:10.
- EPC approved the Project on 08.05.2007 and CCEA approved it on 02.08.2007. The Project Agreement was signed with World Bank on 02.11.2007. An agreement has been further signed between Government of India and World Bank for extension of the project for another 30 months beyond December 2012 i.e. upto November 2014.
- The project objective is to improve the employment outcomes of graduates from the

vocational training system, by making the design and delivery of training more demand responsive. The project has three components: (i) Improving the Quality of Vocational Training, (ii) Promoting Systemic Reforms and Innovation, and (iii) Project Management, and Monitoring and Evaluation.

- The main thrust of the program is to provide appropriate infrastructure, equipment, update syllabi and introduce new courses in the ITIs. The project envisages training of instructors and management level training programs to improve quality of training.
- The salient features of the scheme includes providing infrastructural facilities, introduction of multi-skill courses catering to the need of a particular cluster of industry around an ITI to produce multi-skilled workforce of world standard. Infrastructural facilities are also being upgraded in 14 field institutes of DGE&T.
- Under VTIP, the individual ITI could establish Center of Excellence (CoE) or upgrade individual trades in the ITI. The maximum funds normally provided to an ITI for establishment of CoE and upgradation of trades is Rs. 3.5 crore and for an ITI opting only for upgradation of the trades is Rs 2.0 crore.
- National Steering Committee (NSC), as an apex body has been constituted to guide and oversee the implementation of the project, under the Chairpersonship of Secretary (L&E) with adequate representation from industrial bodies. At the State level, the Project is guided by States Steering Committee (SSC), constituted by the respective States / UTs. The project provides for an effective monitoring and evaluation system. Project monitoring is based on information collected from States / UTs and through field visits. DGE&T team jointly with World Bank representatives have conducted six Joint Review Missions (JRM) including Mid Term Review since inception of the project. The sixth JRM is conducted during November- December 2012 under which the performance of all participating States / UTs was reviewed.

- So far, an amount of Rs 1298 crore has been released and out of which Rs 1108 crore has been utilised for various components under the scheme. The related documents under the Project are available on DGE&T website <http://dget.nic.in/WorldBank/worldbankrelatedprojects.htm>

Scheme for "Upgradation of 1396 Government ITIs through Public Private Partnership"

23.5 In the budget speech 2007-08, Union Finance Minister announced a Scheme for Upgradation of 1396 Government ITIs into Centre of Excellence through Public Private Partnership. In pursuance of this announcement a Scheme has been formulated. Under the Scheme, an Industry Partner is associated with each Government ITI to lead the process of upgradation. An Institute Management Committee (IMC) is constituted / reconstituted with Industry Partner or its representative as its Chairperson and registered as a Society.

23.6 Interest free loan of upto Rs 2.5 Crore is given directly to the IMC for upgrading the training infrastructure of the ITI. The IMC is delegated the power to determine upto 20% of the admissions in the ITI. Financial and academic autonomy is granted to manage the affairs of the ITI. The state Government retains the ownership of the ITI and continues to regulate the admissions and fees except 20% admissions to be determined by IMC. A Memorandum of Agreement is signed among different stake holders.

23.7 The total outlay of the scheme was Rs. 3550 Cr. (Rs. 3490 crore for release of interest free loan @ Rs. 2.5 crore to each ITI and Rs.60 crore for management, monitoring and evaluation). Cabinet Committee on Economic Affairs (CCEA) of the Union Cabinet in its meeting held on 25.10.2007 had 'in principle' approved this scheme for the XI Five year plan period, and financial approval had been given for one year for up gradation of the first batch of 300 ITIs. Subsequently, CCEA in its meeting held on 03.10.2008 had approved the scheme for the upgradation of remaining 1096 Government ITIs for the period from 2008-09 to 2011-12.

23.8 Interest free loan of Rs.3067.50 crore was given directly to the IMC Societies of 1227 ITIs @ Rs.2.5 crore per ITI during 2007-08 to 2011-12.

23.9 The Scheme under the Public Private Partnership is the first scheme of its kind in which Industry and Government Institutions have to work together for the upgradation of the ITIs. Effort to sensitize the industry members of the Institute Management Committees has been initiated by way of organizing orientation workshop.

23.10 For capacity building of Principals and Senior faculty members of 1227 Government ITIs covered during 2007-08 to 2011-12, a capacity building training programme was organized at 4 premier training institutes viz. NMSE Hyderabad, CRISP Bhopal, IDEM Mumbai, and NIESBUD Noida. 2443 participants have undergone training.

23.11 List of ITIs covered during 2007-08 to 2011-12 along with Industry Partner for the Scheme is at Table 23.1

SKILL DEVELOPMENT INITIATIVE SCHEME (SDIS)

Introduction

23.12 The Directorate General of Employment & Training(DGET) has developed a new strategic framework for Skill Development under Skill Development Initiative(SDI) Scheme namely **Modular Employable Skills(MES)** for the early school leavers and exiting workers especially in the unorganized sector in close consultation with industries, State Governments and experts. The scheme has been operationalised since May 2007. The MES is 'Minimum Skill Set' which is sufficient for gainful employment in the world of work. MES allows skills upgradation, formal, multi entry and exit, vertical and horizontal mobility and lifelong learning opportunities in a flexible manner and allows recognition of prior learning.

Objective

- To provide vocational training to school leavers, exiting workers, ITI graduates, etc. to improve their employability by optimally utilizing the infrastructure available in Govt., private institutions and the Industry. Existing skills of the persons can also be tested and certified under this scheme.
- To build capacity in the area of development of competency standards, course curricula, learning material and assessment standards in the country.

Key features of the Scheme:

- Demand driven Short term training courses based on **Modular Employable Skills** decided in consultation with industry.
- Central government facilitates and promotes training while State Governments, private sector and industry provide training to the persons.
- Optimum utilisation of existing infrastructure available to make training cost effective.
- Courses are available for persons having completed 5th standard and onwards.
- Testing of skills of trainees by independent assessing bodies, including industry organizations such as FICCI, CII, etc. which do not involve in training delivery, to ensure an impartial assessment by the employer itself.
- Flexible delivery mechanism (part time, weekends, full time).
- Different levels of programmes (Foundation level as well as skill up gradation) to meet demands of various target groups.
- Training is provided by registered Vocational Training Providers(VTPs) under the Govt., Private Sector and Industrial establishments.
- Testing of skills of trainees by an independent Assessing Body(AB) who are not involved in conduct of the training programme, to ensure impartiality.
- Testing of skills of an individual acquired informally in competency and issue of certificate on qualifying it successfully.
- The certification by NCVT which is recognized nationally and internationally for gainful employment.

Implementation of the scheme

23.13 The scheme has been implemented through various Vocational Training Providers under the Government, Public/ Private Sector and Industrial establishments. The organizational framework and structure required for successful implementation of the SDI scheme at national level has been done by Apex Committee for MES chaired by the Secretary

(L&E) with the help of National Project Management Cell (NPMCC) at National level and six MHS regional cells at regional level. At the state level a registered State Society has been constituted for implementation of the scheme.

23.14 During XI Plan, an expenditure of Rs.437 crore has been incurred towards implementation of the scheme throughout the country. In the first phase, 1402 Modular Employable Skills covering 69 sectors have been developed and 13.67 lakh persons have been trained and tested against an assigned target of one million. 7115 Vocational Training Providers (VTPs) were registered to impart training and 46 Assessing Bodies (ABs) empanelled to conduct assessment throughout the country. From 1st January, 2012, the SOI Scheme has been made on-line and operated through a comprehensive Web-portal.

Operational Mechanism at a Glance

- The Implementation manual and guidelines for assessing bodies have been developed and the same are available on the website www.soi.gov.in and www.dget.nic.in/mes.

- The details for VTP registration, training cost / assessment fee, reimbursement of training cost / assessment fee and funding etc. is available in the implementation manual.
- The payment towards all reimbursement claims is done by the respective State Govt.
- The scheme is widely publicized through leading newspapers organizing workshops etc. across the country at regular intervals.

Achievements under the Scheme –since inception upto December 2013

- 14.81 lakh persons have been trained/ tested.
- 1422 course modules for employable skills covering 73 sectors have been developed and approved by NCVT.
- 46 organizations have been empanelled as assessing Bodies for conducting assessment.
- For the year 2012-13 about 1.2 lakh persons have been trained/ tested and 2,072 Vocational Training Providers (VTPs) have been registered across the country on web portal.

Table 23.1

List of ITIs along with Industry Partners for the Scheme of Upgradation of Government ITIs through PPP, 2002-08

Sl. No	Name of the ITI	Name of the Industry partner
I	Andhra Pradesh	ITI-203
1.	ITI Medchal	M/s. Meera & Coils Pumpa (P) Ltd., Hyderabad.
2.	ITI Ongole	M/s. Glory Granites, Ongole
3.	ITI Tada	M/s. Sri City SEC (P) Ltd. Tada, Nellore
4.	ITI Bhadrachalam	M/s. ITC Ltd., Baram Division.
5.	ITI DLTC Guntur	M/s. ITC Ltd. Guntur.
6.	ITI Banamahal	M/s. Patman Instrumentation (P) Ltd. Hyderabad.

INTRODUCTION

24.1 Policies, standards and procedures for the National Employment Service are laid down by the Central Government in consultation with the State Governments. A Working Group on National Employment Service comprising of representatives of the Central and State Governments facilitates this consultative process. Regular meetings of the Working Group on National Employment Service are held under the Chairmanship of Director General of Employment & Training, Ministry of Labour & Employment, Government of India. The meetings are attended by the State Governments Labour & Employment Secretaries/State Directors of Employment/other representatives and officers of DGET. The Working Group considered various issues pertaining to National Employment Service and made necessary recommendations. Last meeting of Working Group was held in Lucknow in June, 2011.

Salient Features of National Employment Service

- National Employment Service covers all the States and Union Territories except the State of Sikkim.
- Day to day administration of the Employment Exchanges is under the control of respective State Governments/UTs.
- It has a network of 266 Employment Exchanges.
- As a part of administrative functioning, data are collected through 13 Employment Exchange Statistical Returns, each return covering a specific field of activity like registration, placement, etc. with different periodicity.
- As a part of Employment Market Information Programme, data are collected from the Organised Sector (all public sector establishments and all non-agricultural private sector establishments with 10 or more workers)

on employment, vacancies, occupational and educational pattern of employees, etc. in ER-I and ER-II returns prescribed under the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 and Rules framed thereunder. The establishments employing 10-24 workers in private sector are covered on voluntary basis.

New Initiatives

24.2 Some States are following innovative methods and best practices in the field of National Employment Service to improve the performance and meet the aspirations of young people. For example, Videographic Career Counseling to the Job Seekers in the State of Tamil Nadu, multipurpose Self-Employment Scheme KSERU in Kerala, setting up of Rajiv Udyogini Society in Andhra Pradesh to increase the employability of the Job seekers of the States by providing vocational training to them, etc. DGET has initiated sharing this information with all State Governments /UT Administrations and persuading them to make similar efforts and take new initiatives for improving the performance of National Employment Service. Many States /UTs are organizing Job Melas to increase the placement of jobseekers.

EMPLOYMENT EXCHANGES (COMPULSORY NOTIFICATION OF VACANCIES) ACT, 1959

24.3 The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 provides for compulsory notification of vacancies and submission of employment returns (ER-I and ER-II) by employers to the Employment Exchanges. It applies to all establishments in the Public Sector and such establishments in the Private Sector engaged in non-agricultural activities and employing 25 or more workers. Enforcement of the Act is the responsibility of the States and Union Territories. Majority of the States/Union Territories have special enforcement machinery for this purpose.

Table- 24.1

➤ Total number of Employment Exchanges (at the end of 31.07.2011, includes the following)	955
➤ University Employment Information and Guidance Bureau (UEIGBs)	76
➤ Professional and Executive Employment Exchanges	18
➤ Special Employment Exchanges for the Physically Handicapped	40
➤ Special Employment Exchange for Plantation Labour	21

The work done in regard to registration and placement during 2011 is given below :-

Table 24.2

Number of jobseekers on the Live Register as on 31.12.2010(In lakh)	
Men	264.77
Women	136.95
Total	401.72
Number of Job-seekers placed during 2011	
Men	3.87
Women	0.55
Total	4.72
Number of Job-seekers registered during 2011	
Men	40.83
Women	21.33
Total	62.08

PERFORMANCE OF NATIONAL EMPLOYMENT SERVICE*

24.4 The details of the network of 955 Employment Exchanges as on 31.12.2011 are given in Table 24.1. The main activities of the Employment Exchanges are registration, placement of job seekers, career counselling & vocational guidance and collection of employment market information.

Salient features of registration and placements:

➤ As on 31.12.2010, maximum number of jobseekers (65.69 lakh) awaiting employment were in West Bengal while minimum (0.03) were in Daman & Diu. Whereas on 31.12.2011, maximum number of jobseekers (62.28 lakh) awaiting employment were in West Bengal while minimum 0.06 lakh were in Dadra & Nagar Havel.

➤ As on 31.12.2010, placement was maximum (207.3 thousand) in Maharashtra whereas registration was maximum, 911.6 thousand in Tamil Nadu. Whereas on 31.12.2011, placement was maximum 225.8 thousand in Gujarat, and registration was maximum 1086.5 in Tamil Nadu. As on 31.12.2010, placement was 10.1% of total submissions made by the Employment Exchanges. As on 31.12.2011, placement was 9.2% of total submissions made by the employment exchanges.

➤ As on 31.12.2010, 33.3% of the total job-seekers were women. Whereas on 31.12.2011, 34.1% of the total job seekers were women.

➤ Year-wise registration, placement, vacancies notified, submissions made and Live Register for the period 2004 to 2011 are given in Table 24.3.

CENTRAL EMPLOYMENT EXCHANGE, DELHI

24.5 The Central Employment Exchange, Delhi is responsible for the advertisement of vacancies of scientific and technical nature occurring in the Central Government Establishments with the basic pay of Rs.1,400/-per month (pre-revised) or above. During April-October,2012, 131 vacancies notified by various Ministries/ Departments were advertised in the Employment News published by DAVP. It covers 18, 12, 35 and 4 vacancies for SC, ST, OBC, Physically Handicapped respectively.

EMPLOYMENT MARKET INFORMATION PROGRAMME (EMI)

SCOPE, COVERAGE AND LIMITATION

24.6 The Employment data in the organised sector is collected under the Employment Market Information Programme which is provided the statutory base by the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1958 and Rules framed thereunder. The EMI programme now extends to all the States/ Union Territories. The programme covers all establishments in the Public Sector and non-agricultural establishments employing 25 or more workers in the Private Sector. The establishments employing 10-24 workers are covered on a voluntary basis.

24.7 The EMI Programme, however, does not cover employment in the agricultural establishments (other than Plantation and Agricultural Machine Operatives), self-employed or independent workers, part-time workers, Defence Forces, Indian Missions abroad, establishments employing less than 25 workers in the metropolitan cities of Mumbai and Kolkata and tiny sector establishments (employing less than 10 workers). The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1958 makes it obligatory on the part of employers to render Employment Return (ER-I) and Occupational Return (ER-II) at quarterly and biennial intervals respectively. The employment returns are rendered at quarterly intervals showing employment on the last working day of each quarter whereas the occupational returns are collected biennially.

EVALUATION OF EMPLOYMENT EXCHANGES

24.8 The Programme of Joint Technical Evaluation of the Employment Exchanges and the University

Employment Information and Guidance Bureau is carried out in collaboration with the concerned State Government & Union Territory Administration in the country to ensure that :

- Agreed policies and procedures are followed;
- Standards maintained and Programmes implemented;
- Services rendered by the Employment Exchanges are made more effective;
- An effective co-ordination with the States/UTs is maintained.
- Training needs of the staff members and officers are looked into .
- Necessary measures for the improvement of these services suggested.
- Evaluation of 18 States/UTs has been proposed during 2012-13 and the targets are likely to be achieved.
- The compliance on the suggestions made therein in the Evaluation Reports is followed effectively.

24.9 Evaluation of 15 States/UTs has been proposed during 2011-12 and the targets are likely to be achieved. The compliance on the suggestions made therein in the Evaluation Reports is followed effectively and the action on the same is continuing during 2011-2012 also.

VOCATIONAL GUIDANCE AND EMPLOYMENT COUNSELLING

24.10 Vocational Guidance Units in Employment Exchanges and University Employment Information and Guidance Bureau (UEIGBs):-

- Function within the Employment Exchanges/ University Campus and render Vocational Guidance & Employment Counselling Services to the job-seekers.
- Collect and compile occupational information for dissemination to the students, teachers, parents and job-seekers (both individually and in groups) during career talks, individual counselling sessions, group discussions, career exhibitions and film shows, etc.

- Supply information to students about various training facilities available within the country and abroad including information about vocational training in the Industrial Training Institutes and Apprenticeship Establishments.
- As on December, 2011, 420 Vocational Guidance Units in Employment Exchanges and 82 University Employment Information and Guidance Bureaux (UEIGBs) within the University Campuses continue to function in order to provide necessary guidance and information to the job seekers and university students.

PROMOTION OF SELF-EMPLOYMENT

- Self Employment Promotion Programme was undertaken due to general shortage of wage paid jobs.
- The Employment Exchanges have been assigned an important role in this area to motivate the unemployed youth for taking up self employment as their livelihood.

- Presently, 22 Self Employment Promotion Cells in 18 States/Union Territories are rendering special assistance to job seekers towards promotion of Self Employment. Up to the end of October, 2012, the placement made was 1.16 lakh out of which 0.91 lakh (79.09%) were men and 0.24 lakh (20.91%) were women. About 2.20 lakh persons were on the Live Register, aspirants for Self-Employment assistance during the period under reference.
- All the State Directorates of Employment including Union Territories have been requested to revitalize the Self-Employment Promotion Programmes. The necessary efforts in this regard will also be continued during the year 2012-13.

RELEASE OF DATA

24.11 The details of publications brought out by DGEST are given in Box-24.1.

Details of Publications brought out

Employment Exchanges Statistics	This is an annual publication of DGE&T. It gives complete Employment Exchange statistics along with their detailed analysis.
Annual Employment Review	This is an annual publication based on EMI data. It gives comprehensive data at three-digit level classification of industry & complete analysis of employment situation prevailing in the Organised sector.
Trade Apprenticeship Training in India under Apprenticeship Training scheme	This is an annual publication presenting statistics on establishments engaged in Apprenticeship Training, intake capacity, output and their employability in the labour market alongwith brief analysis of present scenario.
Census of Central Government Employees	This publication gives the profile of the Central Government Employees working across the country. The census is carried out through the network of Employment Exchanges (EMI Units) located all over the country. The publication "Census of Central Government Employees as on 31-3-2009" has been released and Census of Central Government Employees as on 31.03.2011 is under process.
Bulletin on Job Opportunities in India	This publication presents analysis of various vocations qualification-wise viz matriculates, ITIs, Diploma holders, Degree and postgraduate qualifications in various branches of engineering, technology, agriculture, medicine, natural sciences, social sciences and teaching etc. The report for the year 2009 has been released and the report for the year 2010 is under process.

Table 34.3 (In Thousand)

Year	Employment Exchanges	Registration	Placement	Vacancies notified	Submissions made	Live Register
2004	947	5373.0	137.7	274.61	1801.4	40457.6
2005	947	5407.1	173.2	349.3	2400.0	39347.8
2006	947	7288.5	177.0	358.3	3029.5	41469.0
2007	968	5434.2	263.5	525.8	3686.1	39974.0
2008	968	6315.9	305.0	570.8	3344.0	38112.4

2010	969	9189.0	905.4	706.9	3747.1	38818.5
2011	968	6208.3	471.5	819.7	5142.9	40171.8

25.1 Employment Service, as in the past, continued making efforts to cater to the special needs of vulnerable sections like Women, Scheduled Castes / Scheduled Tribes, persons with disabilities and disabled Ex-servicemen job-seekers.

WOMEN

25.2 Year-wise performance of Employment Exchanges in respect of women job-seekers for the years 2005 to 2010 is given in Table 25.1

Table-25.1 (in thousands)					
Year	Registration	Placement	Live register of women	Total live register	% of live Register of women to total live register
2005	1626.9	32.4	10605.5	39347.8	27.0
2006	2037.4	31.3	11791.0	41466.0	28.4
2007	1835.5	46.5	12001.5	34974.0	30.0
2008	1756.1	51.9	12325.2	36114.9	31.5
2009	1989.9	53.4	12404.7	36152.2	32.5
2010	2005.4	107.1	12824.1	36618.5	33.3
2011	2132.6	65.7	15694.8	42171.6	34.1

SCHEDULED CASTES / SCHEDULED TRIBES

25.3 Performance of Employment Exchanges in respect of Scheduled Caste /

Scheduled Tribe and Other Backward Class job-seekers during 2007 and 2008 is indicated in Table 25.2

Table-25.2 (Figure in lakh)				
Category	Activity	Year		
		2008	2009	
SCHEDULED CASTE	• Registration	6.58	6.48	
	• Placement	0.27	0.19	
	• Live Register	63.84	62.08	
SCHEDULED TRIBE	• Registration	3.09	3.30	
	• Placement	0.21	0.14	
	• Live Register	22.4	21.98	
OTHER BACKWARD CLASS	• Registration	9.54	11.11	
	• Placement	0.18	0.18	
	• Live Register	66.93	66.60	

SALIENT FEATURES IN RESPECT OF SC/ST JOB-SEEKERS ARE AS UNDER:

- Live Register of SC job seekers has increased from 61.36 lakh in 2000 to 63.87 lakh in 2009, an increase of 2.5%.
- Live Register of ST job seekers has increased from 18.60 lakh in 2000 to 21.98 lakh in 2009, an increase of 18.2%.
- SC and ST job seekers were 18.6% and 5.8% respectively of the total job seekers on the live register at the end of 2009.
- Placement of SC job seekers has declined by 7.3% from 24.1 thousand in 2000 to 19.3 thousand in 2009.

COACHING-CUM-GUIDANCE CENTRES

25.4 Twenty four Coaching-cum-Guidance Centres for SCs/STs have been set up, one each at Delhi, Jabalpur, Kanpur, Chennai, Hyderabad, Thiruvananthapuram, Kolkata, Jaipur, Ranchi, Surat, Aizawl, Bangalore, Imphal, Hissar, Nagpur, Shubaneswar, Guwahati, Mandi, Kohima, Jowai, Jammu, Jalandhar and Nahanagar (Arunachal Pradesh) & Puducherry. The CDCs at Jowai & Puducherry are in the process of being made functional. These Centres:

- provide employment related coaching-cum-guidance to SC/ST applicants.
- provide information on job requirements and the type of tests/interviews they are likely to face when called by the employers.
- take up appropriate follow up action with the employers to ascertain the results of submission against reserved vacancies.
- undertake job development work besides providing occupational information/vocational guidance & counselling and organising Confidence Building Programmes for job-seekers.
- provide facilities to SC/ST job-seekers for practising shorthand and typing at the above Centres except Coaching-cum-Guidance Centres located at Aizawl, Hissar, Shubaneswar, Guwahati, Mandi, Kohima, Jowai, Jammu, Jalandhar and Nahanagar.

- Arrange from time to time, pre recruitment training programme for SC/ST candidates to improve their employability through competitive examinations conducted by the Staff Selection Commission, etc. for group 'C' posts in collaboration with various employing authorities and recruiting agencies.

SPECIAL COACHING SCHEME FOR SCs/STs

Salient features

- A Special Coaching Scheme to prepare SC/ST candidates for competitive examinations/selection tests for Group 'C' posts is also being operated by DCEAT in Delhi and Ghazabad.
- So far, 7275 SC/ST job seekers have successfully completed coaching for clerical/stenographer posts in 28 phases.
- The coaching is of 11 months duration and the trainees are given stipend per month besides, free course books and limited stationery. The Coaching Institutes are also given professional charges for imparting coaching to SC/ST candidates.
- Guided by the benefits derived from the above Special Coaching Scheme, the scheme has been extended to 21 more places at Kanpur, Kolkata, Bangalore, Hyderabad, Ranchi, Surat, Guwahati, Imphal, Hissar, Jabalpur, Chennai, Thiruvananthapuram, Jaipur, Shubaneswar, Mandi, Nagpur, Delhi, Jammu, Jalandhar, Kohima and Nahanagar.
- In 18 phases of the extended scheme, 7047 SC/ST candidates have successfully completed the coaching. The 19th phase is in progress with effect from 01.07.2012.

SCHEME FOR PROVIDING COMPUTER TRAINING TO SC/ST JOB SEEKERS REGISTERED WITH EMPLOYMENT EXCHANGES

25.3 This scheme was started with effect from February 2004, with a view to provide Computer Training to SC/ST educated job seekers registered with the Employment Exchanges through outsourcing training facilities. Initially, the training of six months duration was arranged and 3066 candidates were imparted training till 2008-09. As the Six month

Computer Training Course was not found of much use to the candidates to enhance employability in view of changing demands in the Labour Market, it was changed to one year 'O' Level Computer Training course from 2009-10 to 1000 SC/ST candidates through DoEACC society under the Department of Electronics & Information Technology. The training is being imparted at 20 Centres. The training of first batch, second batch, third batch & fourth batch have already been completed. In four batches, 4000 SC/ST candidates were admitted & provided training under the modified 'O' level one year computer training through DOEACC Society (Now National Institute of Electronics & Information Technology). The 5th batch of the 'O' level one year Computer Training has started with effect from 01.07.2012 with a seating capacity of 2000 SC/ST jobseekers at 21 CCG for SC/STs including CCG, Nohadogun. The one year 'O' level Computer Hardware Maintenance Training has also been started with effect from 01.08.2012 with a seating capacity of 1300 SC/ST candidates at 14 CCGs for SC/STs.

PERSONS WITH DISABILITIES

Employment Exchanges

25.6 The Employment Service has been making special efforts to cater to the special needs of disabled job seekers, performance of which for the last five years is given as under:

➤ The number of disabled job-seekers placed in employment during 2009 was 3.3 thousand.

SPECIAL EMPLOYMENT EXCHANGES FOR PHYSICALLY HANDICAPPED:-

25.7 Although, Employment Exchanges under the National Employment Service are generally responsible for the placement of Physically Handicapped, Special Employment Exchanges were also set-up for their selective placement. These exchanges attempt at securing for the disabled the most satisfying form of employment suitable to their residual physical and mental potentialities. As on December, 2011, 40 Special Exchanges were functioning in the country.

25.8 In pursuance of the recommendations of the Working Group on Employment Service and the Task Force on the reorganisation of Special Employment Exchanges, it was decided to set up Special Cells in the Employment Exchanges for promoting employment of the people with disabilities.

25.9 Thirty Eight Special Cells for the physically handicapped with a Special Placement Officer attached to the normal Employment Exchanges and funded by the Central Government have so far been set up by the Ministry of Social Justice & Empowerment. These are in addition to the Special Cells/Units opened for the handicapped applicants at the Employment Exchanges by various State

Performance of Employment Exchanges in respect of Disabled Job-Seekers
(in thousand)

Year	Registration	Placements	Live Register
2003	55.2	3.8	651.8
2004	52.4	3.4	566.9
2005	57.2	3.2	576.9
2006	58.8	3.4	597.4
2007	57.7	3.4	600.0
2008	54.9	3.7	669.4
2009	58.1	3.3	605.5

➤ There has been consistent increase in the number of persons with disabilities on the Live Register.

Governments. The performance of the Special Employment Exchanges during 2009 is given in the following table:

Placement	568
Live Register	98255

VOCATIONAL REHABILITATION CENTRES FOR HANDICAPPED

25.10 The Ministry of Labour & Employment is fully responsive and committed to the implementation of the provisions of the Persons with Disabilities Act, 1985. The Directorate General of Employment & Training (DGET) has been regularly co-ordinating and supporting Ministry of Social Justice & Empowerment (Ministry of SJE), which is the Nodal Ministry for the welfare of people with disabilities.

- Twenty Vocational Rehabilitation Centres (VRCs) for handicapped are functioning in the country, out of which, one Centre at Vadodra has been set up exclusively for women with disabilities.
- These centres evaluate the residual capacities of people with disabilities and provide them adjustment training and skill training with a view to integrate them in the economic main stream and make them productive citizens of the country.
- These centres play pro-active role in creating public awareness and community participation in the rehabilitation of persons with disabilities.
- During-2011-12, these centres registered 31,770 evaluated 31,568, and rehabilitated 11,588 persons with disabilities.
- During 2012-13 (upto 30.09.2012), these Centres have registered 17,439, evaluated 17,365 and rehabilitated 6,613 Persons with Disabilities.
- Three barrier free buildings for VRCs one each at Bhubaneswar, Kanpur and Kolkata have constructed and VRCs are functioning in the new buildings. Construction of two more barrier free buildings for VRC, Agartala and Guwahati is underway.

- Skill development initiative scheme based on Modular Employable Skill continued in VRCs for imparting training to Persons with Disabilities.

ASSISTANCE TO DISABLED EX-SERVICEMEN AND DEPENDANTS

25.11 In order to provide placement services to the disabled Ex-Servicemen/Border Security Force Personnel and the dependants of Defence Service Personnel/Border Security Force personnel killed or severely disabled in action, against the vacancies reserved for ex-servicemen and earmarked for priority categories an Ex-Servicemen Cell was set up in the Directorate General of Employment & Training in July, 1972. Subsequently, the scope of the special service was also extended for the benefit of ex-servicemen disabled during peace time as well as dependants of the Defence Service Personnel killed or severely disabled in peace time provided that the death or disability was attributable to military service with effect from February, 1981.

25.12 At the end of October, 2012 there were 257 disabled soldiers and 2,447 dependants awaiting employment assistance through the Ex-Servicemen Cell.

MINORITIES

25.13 In pursuance of the Prime Minister's directive for full integration of minorities in all aspects of national life, the State Governments have been advised to ensure that no discrimination is made against minority communities in matters of registration and in sponsoring names by Employment Exchanges. The State Governments have also been advised to create monitoring cells to watch the progress of minorities in the matter of their registration and placement and to instruct the Employment Exchanges to organize mobile Employment Exchange Registration Camps in minority concentration areas.

25.14 In all there were 56.06 lakh job seekers on the Live Registers of Employment Exchanges belonging to the minority communities at the end of December 2009. These account for 15.2% of total job seekers on the Live Register.
